HURRICANE DORIAN

Bahamas Support

We will continue our prayers for everyone in the path of Hurricane Dorian, especially our Nobles and Daughters who have been or will be affected by this Hurricane. Right now, it appears that those persons who live in the Commonwealth of the Bahamas have suffered major losses. We do not know what lies ahead as this Hurricane makes its way up the coast. In times like this, we must look to God for our strength. It is our faith that will help us in the days ahead.

Working with our contacts in Nassau, we have been able to develop a list of needed items and a way to get them to our Nobles and Daughters.

Attached is the information that was sent to me by Past Potentate Uriel D. Johnson, Deputy of the Oasis of Nassau, Bahamas. He has been authorized by me to act as the contact because the Deputy of the Desert is displaced.

I am requesting all Temples and Courts to solicit items from their members and make a shipment according to the instructions in the attachment. Each one of us may have items in our closets that we are not wearing/using.

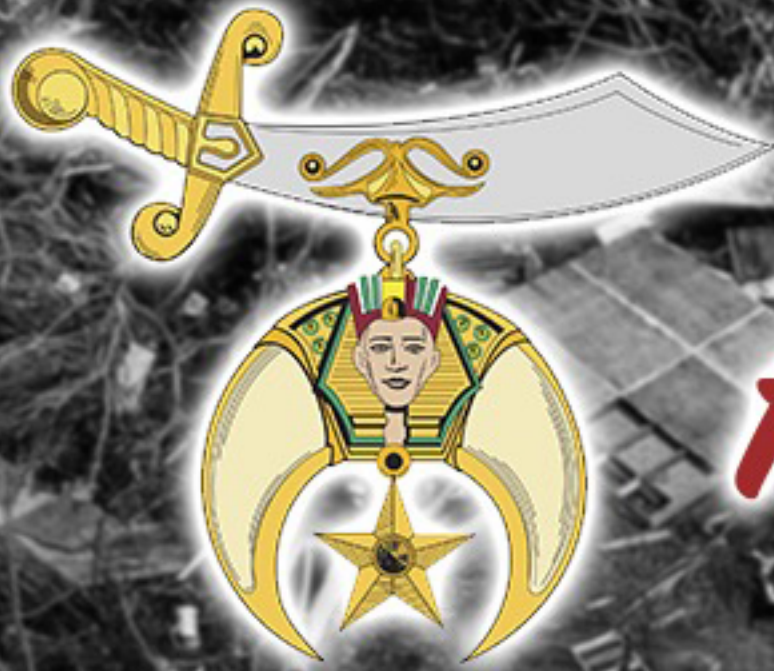

Send notification of shipment of supplies to my Executive Assistant, Ms. Krystal McIntosh at **kmcintosh@aeaonms.org**

You can also continue to make monetary contributions by contacting Ms. Jeritza Gary at **jgary@aeaonms.org** or by calling her at **(901) 395-0150**. No donation is too small.

Fraternally,

Charles W. Davenport
