Imperial Deputies of the Desert, Imperial Deputies of the Oases, Temples, and Courts

Greetings!

I pray that God has shed his many blessing upon you and your family during this past year and that he continues to shed his many blessings upon our Prince Hall Shrine Family forevermore.

There has been some misunderstanding and neglect within the Domain in regards to the submission of Souvenir Journal Ads. With that being stated, I would like to personally apologize for any neglect from the Imperial Editor's Department, McQuick Printing and the Imperial Headquarters for any inconvenience we may have caused you. It is never our intention of not submitting your ads for the Imperial Souvenir Journal. And there has been some misunderstanding from Nobles and Daughters on the process of submitting ads. The Imperial Divan is encouraging Temples, Courts, Nobles, Daughters and Businesses to participate in the submission of ads to the souvenir journal. So, we have decided to give you all the necessary information that you will need to successful have your ads submitted into our **2017 Souvenir Journal**. Below is list of instructions that all Temples and Courts must adhere to for this process to work.

The Imperial Headquarters will not be receiving anymore hard copy photos. If you do not have a computer, please take your photos or ads to Staples, Office Max, Office Depot or any FedEx location and they will scan and e-mail for you.

- Electronic Photos only (e-mail)
- Please e-mail to: souvenir.journal@mcquickprinting.com
- All ads MUST be of good quality and ready for print
- We must have a Souvenir Journal Ad contract with each ad (**mandatory**)
- Payment in full should be included with you Ad contract (**mandatory**)
- We need all Imperial Departments to re-submit new ads (**please include ad application**)
