Greetings Nobles and Daughters,

For the 127th Imperial Council Session and the 109th Imperial Court Session in Atlanta, we implemented a few changes. In our efforts to perfect this new system, we have been delayed in our processing and turnaround times, but are working diligently to process all forms we have received in office. Due to the volume of registrations, we are unable to locate any one form in particular. If we received your registration, it was batched according to the date of receipt in office and will be processed in that order. You will later be contacted if there are issues with your paperwork, this correspondence could occur via mail, email, or telephone. Badges will be mailed at a later date. Please verify and update your addresses prior to January 2020. Returned badges will be held until Imperial Session.

Sincerely,

Frederick M. Bell
