EDUCATE • SCREEN • PREVENT • SAVE LIVES

WHY THIS MATTERS TO OUR COMMUNITY

Health education and prevention for Nobles, Daughters, and families

PROSTATE CANCER

Monday 9 AM - Room 104

- African American men face higher risk and more aggressive disease.
- Men 40+ or with family history should consider

HIGH BLOOD PRESSURE

- Hypertension is often called the silent killer.
- It may develop earlier and more severely.
- It increases risk for stroke, heart disease, and kidney failure.

FLORIDA HEAT SAFETY ALERT

Tampa heat and humidity

- Drink water throughout the day, even before thirst.
- Carry a refillable water bottle.
- Increase water before, during, and after outdoor events.
- If drinking alcohol, alternate each drink with water.
- Seek help for dizziness, weakness, confusion, cramps, or rapid heartbeat.

BREAST CANCER

First 20 mammograms FREE

- African American women have higher mortality rates.
- Triple-negative breast cancer is more common.

HIV/AIDS SCREENING

Monday 9-11 AM - Room 104

- African Americans remain disproportionately affected.
- Testing is quick, confidential, and empowering.

HEART DISEASE & STROKE

Heart-health education

- African Americans have high rates of hypertension.
- Heart attack, heart failure, and stroke risks

BLOOD DONATION

Location and time: TBD

- African American donors are critically needed.
- Diverse blood helps sickle cell patients and rare matches.

MEDICATION REMINDER

Bring enough for the Session

- Keep medicine in original labeled containers.
- Bring blood pressure, diabetes, heart, kidney, and dialysis medications.
- Bring inhalers, blood thinners, emergency medications, and CPAP supplies.
- Do not skip doses because of meetings, travel, social events, or activities.

DIABETES & KIDNEY HEALTH

- Type 2 diabetes affects our community at higher rates.
- Complications may include kidney failure, vision loss, and amputations.
- Know your numbers.

GIFT OF LIFE

Bone marrow & transplant education

- African Americans are underrepresented in donor registries.
- Patients often match best within their ethnic
