Overview

- The journal represents the sponsoring Temple and/or Court and must display the official emblems of the Shrine and the Imperial Court Daughters, as applicable.
- The cover must include the organization's name and the event's date, time, and location.
- The only names and titles permitted on the cover are those of the heads of the sponsoring organizations.
- You may use the inside front cover, inside back cover, and outside back cover to generate revenue.
- The first page is reserved for the honoree.
 - For a joint event, the first two pages are reserved for the honoree

Note: Any Noble or Daughter who submits a non-regaled photograph, regardless of title, must be placed after Campaign Flyers for Elected Imperial Positions and before Business Advertisements. Within the Appointed Directorate, Department, and Committee Members sections, members from the same Oasis must be arranged in alphabetical order by last name.
